Describe your organization	PAC 8 is a community media center and television station. We have summer video workshops for students. We record events in the community. We produce ads and PSAs for local businesses and organizations.
Internship title	Production Assistant/Teacher
Specific days/hours (if applicable)	After school hours
What will the student learn from the internship?	The student will learn video and audio production, script writing, editing and how to work with middle school students.
What does your business need that a student intern can impact?	PAC 8 needs an intern to work with middle school students to help them produce videos and PSAs.
What project(s) will the intern work on?	The intern will learn how to produce videos and then he or she will help middle school students create videos and public service announcements.
What skills are required for this internship?	No skills are necessary but technical skills such as editing are a plus. The intern will work with middle school students.
What final deliverables will the student produce?	2-4 PSAs. Middle school students having a place to learn video production. Click here to enter text.
How would you describe the primary purpose of this project? (Select one)	Other
If "Other", please specify	Video Production
Any additional information you would like to share?	We have heard that a lot of middle school students need a fun place to go after school and PAC 8 would like to open their doors to them.
