   a. Update from Advisory Board Chair
      i. Steve Boerigter shared a letter from the UNM President and Board of Regents in response to an earlier email sent from the Branch Campus Advisory Board Chairs
      ii. The requests made by the Advisory Board Chairs of the Branch Campuses resulted in a title change to Chancellor from Chief Executive Officer for all branch campuses.
      iii. David Sutton inquired about the impact of the absence of the branch campus liaison. Cindy Rooney shared that each Chancellor is now on a Main Campus Administrative Committee and that in general they have more direct interactions with individuals on main campus. The Provost has been very responsive.
      iv. Steve Boerigter also updated the Advisory Board on the Sub-Committee of the Advisory Board which was formed this spring. Members include: Steve Boerigter, Patrick Sullivan, Patrick Fitch, Glenn Morgan, David Israelivitz, Laura Loy, Cindy Rooney and Sharon Hurley. The meetings have generated positive discussions.
      v. Michelle Hall inquired about a fundraiser this year. After discussion of a fundraiser, the Advisory Board and the Executive Team agreed that potential speakers and dates would be considered once the staffing shortage on campus was alleviated.

6. **Presentations by the Executive Team**
   a. Chancellor (Attachment D)
      i. UNM received notification in August that they were successful in the affirmation of accreditation that would extend for another ten years.
      ii. Provost Holloway had a successful visit with UNM-LA and LANL in August. The UNM Vice President of Finance will visit in September and several other UNM administrators are also expected to visit our campus this semester.
      iii. Discussions of a potential B.S. in Mechanical Engineering are moving forward. An information session is scheduled for late October to help identify the interest in the program.
      iv. The faculty union vote will take place on October 16 and 17.
      v. Staffing has been a challenge this summer with each Executive Team member being down a minimum of two employees.
      vi. Workforce development initiatives have been successful. The RCT program was launched and N3B is requesting another program. There is partnership with LANL for an AAS and a Certificate program. Other potential programs include Machining, specialized Welding Certificate, a B.S. completion in Mechanical Engineering, and potentially a B.S. completion program in Electrical Engineering.
      vii. UNM-LA has received several donations: Triad and LANL have provided $35,000 for the Community Internships Collaboration, $10,000 has been donated for two portable smartboards and an additional $5,000 for general purposes.
      viii. Cindy Rooney and Bob Harmon presented a request this summer for $2,500,000 for Workforce Development Career Technical Education Classroom Renovations. If the item passes the approval process, it will be on the 2020 GO Bond election in November 2020.
ix. UNM-LA initiated the process for approval of an RPSP project for $92,150 for a Workforce Development Initiative
x. Cindy Rooney has several new leadership roles: President of NMACC, Higher Education Strategic Planning Committee, and the New Mexico Higher Education Advisory Board.
