5. **Old Business:**
   a. **Proposed Tuition Increase-Board Action Item:**
      i. Comparison of surrounding institutions.
      ii. Proposing a 5 to 7% increase.
      iii. Reasons:
         1. Decreased state funding.
         2. $250K shortfall because grants are expiring.
         3. Would rather increase tuition by small increments per year, instead of raising it substantially once every few years.
iv. Potential uses: Restore staff positions in Student Services, IT, or the Academic Student Center; all areas that serve the entire student body.

v. Jerry mentioned that branch campus tuition increase recommendations have generally been accepted by the Regents at main campus. However, if a unit had a lot of reserves, the regents might question why an increase was needed. This is not a concern for UNM-LA.

vi. Michelle Hall moved in favor of the 7% increase. Motioned to approve. Seconded by Micheline Devaurs. All in favor. None opposed.

6. New Business:
   a. Announcement:
      i. Steve Boerigter announced that the decision has been made by the UNM Provost to remove the title of “Interim” from Cindy Rooney’s title.

b. Plan to fill Advisory Board Vacancy:
   i. Michael DiRosa will be moving to Washington, D.C. This will leave a vacancy on the Advisory Board. According to the bylaws, this position will be filled by selection of remaining advisor board members. The bylaws do not indicate a particular process.

   ii. Suggestions:
       1. Refer to those who ran along Michael in the last election.
       2. Find someone who can help with a better Mil Levy campaign. What talents or perspectives they bring in?
       3. Find old candidates, new candidates from the public, conduct interviews.
       4. Collect names, contact them, ask for letters of interest.

   iii. Solution: Vacancy announcement to the public, request a letter of interest, request attendance at April Advisory Board meeting.

   iv. Additional info: Remaining term is 3 years.

c. Proposal for Mil Levy-Board Action Item:
   i. Options: Include on the ballot in the next General Election in Nov) or wait for the next school election (Jan/Feb).

   ii. Jerry Dominguez has notified the Provost about the effort.

   iii. Valida shared that from prior mil levy elections (2010 & 2013) the larger the turn out, the worse the results for the mil levy. Tends to draw in more people who are not in support of a tax increase. School elections show more success because they target the people who have kids in school.

   iv. GO bond will be on the next general election and may add competition to the Mil Levy.

   v. The general election will provide a larger turnout

   vi. Discussion of Focus groups, Dual credit students, Action committee, and Involvement of LAPS

   vii. Perhaps for property taxes, the county should find a “lessening impact” for low income residents

   viii. After the last failed Mil Levy election, several positions on campus were reduced and/or eliminated. Fees & tuition have increase significantly since then. Yet, tuition does not pay for all college costs.

   ix. Lisa Wismer explained that UNM-LA got caught in the “soft landing” and formula change, which has hurt our campus.

   x. Michelle Hall noted that it comes down to our message, why UNM-LA is critical to our community. Keep it simple enough for then general public to understand.

   xi. Cindy Rooney noted that regardless of whether a mil levy potentially passes in November 2016 or early 2017, funds would be received in 2018.
