**Describe your organization**
A eco-concienitious cleaning service based in Los Alamos servicing residential and commercial accounts. Our mission is to care for our community one clean space at a time. We perform our services with eco-friendly cleaning products, and a personal touch!

**Internship title**
Client/Recruit Marketing Intern

**Specifc days/hours (if applicable)**
Tues-Thur – prefer 10-2 but flexible

**What will the student learn from the internship?**
Creative methods to obtain feedback from their clients on satisfaction with service, and what needs are not met to know where to expand or eliminate aspects of service. Creative ways to recruit talent with client and culture to create successful teams through developing and implementing new strategies.

**What does your business need that a student intern can impact?**
We are seeking to have positive client impact with our current clients, increase our volume to hire and recruit needed talent to grow. The internship would be beneficial in assisting our company in recruiting that talent and respond to the community need through a survey campaign.

**What project(s) will the intern work on?**
Create and implement survey to clients for feedback on services. Create a recruiting campaign for us to use at hiring events to seek the type of talent that meets those criteria gathered from our client survey.

**What skills are required for this internship?**

**What final deliverables will the student produce?**
A completed survey with data and proposal for application into the scope of work. A strategy for recruitment based on community, labor pool, and client feedback.
