Describe your organization	Nurses With Heart, licensed by NM Dept. of Health, provides medical and non-medical assistance in homes and facilities in Los Alamos, White Rock and Santa Fe. Assistance includes bathing, meals, housework, companionship, transportation and nursing services.
Internship title	Caregiver
Specific days/hours (if applicable)	We work around student's schedules. Home care is 24/7 so there are a variety of shifts to choose from.
What will the student learn from the internship?	The student will learn hands-on care giving and some opportunities to shadow a nurse to learn about wound care, infusion therapy, and medication management, to name just a few nursing services that we provide.
What does your business need that a student intern can impact?	Nurses With Heart needs personal caregivers who are willing to learn quality caregiving skills to assist clients.
What project(s) will the intern work on?	Nurses With Heart participates in health fairs, which students may be involved in to interact with the public wanting information on home care and nursing services.
What skills are required for this internship?	Interns should enjoy assisting people, have a genuine interest in clients' wellbeing, have the ability to lift and transfer a client (we provide training for this), and be a critical thinker to assess situations.
What final deliverables will the student produce?	The student will ensure that the client is well cared for and be required to produce clinical notes for each client, which will be reviewed by the Director of Nursing and the Department of Health.
