

Campus Security and Fire Safety Report

2023

SAFETY: YOU MAKE THE DIFFERENCE

Your safety and security are of prime concern at The University of New Mexico - Los Alamos and we are working hard to ensure the campus is a safe place to live, learn, work and play. UNM-Los Alamos is not, however, exempt from crime. We are doing our part to prevent crimes, but to be safe and secure, YOU must take common sense precautions, be alert and look out for others. Maintaining an effective police department is a community effort, and together we can ensure UNM-Los Alamos remains safe.

COMMUNITY

The University of New Mexico Los Alamos campus, located in Los Alamos, New Mexico, is a community of approximately 1200 students and permanent faculty and staff. Visitors come to our campus to attend lectures, symposia's, concerts, plays and other events. Our campus is surrounded by the incorporated city and county of Los Alamos. With our large and constantly changing student population, we have maintained an extremely low crime rate.

MISSION

The UNM Los Alamos is committed to providing the highest quality education for its students. Drawing upon its greatest asset, the human and physical resources of Los Alamos, its programs shall be threefold: two-year academic transfer programs; a wide-ranging program of community education responsive to the needs of the region and Associate degree programs with emphasis on those technical areas that have a nationally demonstrated demand and that use the distinctive Los Alamos expertise.

The UNM Los Alamos is committed to providing these programs to all students of the region, and it commits itself to provide the services, including developmental services necessary to help these students achieve their goals. Furthermore, the UNM Los Alamos will seek active cooperation with all neighboring educational programs and institutions, confident that such cooperation is in the best interest of the student and the region.

HOW UNM LOS ALAMOS PROTECTS YOU

The UNM Los Alamos Administration is here to protect you and offers numerous services to ensure your safety.

The UNM Los Alamos works directly with Los Alamos County Police Department, which is open 24 hours a day, 365 days a year to respond to your needs. All Los Alamos PD police officers are required to meet state certification standards mandated by the New Mexico Department of Public Safety. They have full power of peace officers on campus, including the authority to enforce all applicable laws, ordinances and campus traffic regulations, and the authority to arrest.

The UNM Administration investigates complaints of on-campus criminal activity, working closely with the Los Alamos Police Department to ensure effective prosecution. The UNM Los Alamos Campus Safety Coordinator works closely with the Los Alamos PD to compile statistics for our annual Campus

Safety and Security report. The updated report is published on the UNM Los Alamos website and disseminated to UNM Los Alamos students, faculty and staff.

UNM Los Alamos Administration encourages students, faculty, staff and visitors to promptly report all crimes. Crimes occurring on campus should be reported to UNM Los Alamos Administration at 662-5919. Crimes committed on and off the UNM Los Alamos campus should be reported to the Los Alamos Police Department at 662-8222.

In an emergency you may dial 911. The 911 system automatically traces the location of all calls, which enables officers to respond even when a caller cannot provide the location. When you are on or off-campus dial 911, your call will be received by the Los Alamos Police Department. In an emergency you may dial **911**, non-emergency 662-8222.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

In the event of a significant emergency or dangerous situation involving an immediate threat on campus, UNM Los Alamos has a multi-faceted, emergency communications system designed to notify students, faculty, staff and visitors through text and email alerts and web page notifications. Plans and policies are in place such that the UNM Los Alamos will, without delay, and taking into account the safety of the campus community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency. Students, faculty and staff are automatically enrolled in LoboAlerts which is an emergency text messaging system and the greater community can also receive the alerts through social networking sites like Twitter and Facebook, or can sign up for the UNM Community Text Messaging site.

UNM Los Alamos follows the UNM Emergency Control Policy (UNM Policy 6130) which outlines the process that the UNM Police Department uses to confirm that a significant emergency exists and the process used to target messages to the appropriate segments of the Albuquerque campus. The decision to send out notification of a significant emergency lies with the UNM Executive Director, the Campus Resources Director, the Dean of Instruction, and/or the Director of Student Enrollment, or any of their respective designees. Ideally these officials will collaborate when deciding whether to initiate the notification system; however, these officials are authorized to initiate the system on their own, without first obtaining the concurrence of the others, if circumstances do not allow for collaboration. The UNM Los Alamos Communications and Marketing Department assists in crafting the content of the notification message which is then disseminated by the appropriate communications department to the campus community through one or more of the systems described above.

UNM Los Alamos provides orientation to new students, faculty, staff and campus groups and departments regarding basic safety and emergency preparedness efforts. Materials are available on-line allowing the campus community to refresh their understanding of emergency response and evacuation procedures at any time. Lobo Red-E, UNM's Emergency Preparedness webpage is available at <http://loborede.unm.edu>. UNM Los Alamos has a Campus Safety Coordinator who reviews emergency response and evacuation plans and procedures on an on-going basis. The UNM Los Alamos Campus Safety Coordinator maintains documentation of each test, a description of the exercise, the date, time and whether it was announced or unannounced.

UNM Los Alamos has established procedures to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus. In case of an emergency, UNM Los Alamos will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

A general flip guide to emergencies has been developed and posted throughout by UNM Los Alamos, in concert with other public safety and health entities, to provide faculty and staff with a quick reference to use in times of emergencies. The information contained in this guide established a process for evaluating, confirming and reporting the emergency to allow the Branch to determine who to notify, determine the content of the notification, and initiate the notification system. The Branch also has established procedures for disseminating emergency information to the larger community, as well as procedures to test the emergency response and evacuation procedures on an annual basis and documenting a description of the details of the exercise. More specific guidance and instructions for a particular emergency can be obtained by calling the Los Alamos Police Department at 911 during emergencies (or 662-8222 for non-emergencies at any time).

Safety Training

Safety Training is provided periodically for staff, faculty and student employees. Please watch for upcoming training sessions. Training in how to handle a wide variety of emergency situations is available from UNM Los Alamos, the Los Alamos Police and Fire Department, as well as other agencies. This includes classes on crime prevention, CPR and First Aid. For more information on these courses, call the Police Department administration at 662-8222 during normal business hours

TIMELY WARNING NOTICES

If the UNM Administration and Los Alamos Police Department receive information that a crime has occurred that represents a serious or continuing threat to the UNM Los Alamos community, a timely warning notice will be sent to students, staff and faculty in an effort to promote safety and aid in the prevention of similar crimes. The UNM Los Alamos Executive Director (or designee) authorizes the issuance of a timely warning notice. The notice will include information about the circumstance that triggered the timely warning and what action members of the campus community are advised to take to protect themselves. The UNM Los Alamos Executive Director (or designee) may decide to issue updates as needed as the situation evolves.

UNM Los Alamos maintains multiple systems that are utilized to warn the campus community of crimes, including text alerts, email alerts, and web alerts. Students, faculty and staff are automatically enrolled in LoboAlerts, which is an emergency text messaging system.

The UNM Los Alamos Administration works with the University's communications departments to determine the content of the alert, which is then disseminated by the appropriate communications department to the campus community through one or more of the systems described above.

CRIME REPORTING & COMPILING CRIME STATISTICS

The UNM Los Alamos Administration encourages anyone who is the victim of, or witness to, any crime on the UNM Los Alamos campus to promptly report the incident to the UNM Los Alamos Administration and the Los Alamos Police Department. Under New Mexico law, the original entry police report must be made available for review upon request by a member of the public. UNM Administration and Los Alamos Police Department does not identify crime victims by name in the original entry police report. Supplemental police reports detailing the investigation, and including the names of the victim, accused and witnesses are not available for public inspection. A crime victim or witness to a crime who does not want to report the incident to the police, but wants it included as a statistic in the Annual Security & Fire Safety Report may make a confidential and accurate report to a UNM Los Alamos Administration, as identified below.

The UNM Los Alamos Campus Safety Coordinator compiles and reports annual crime statistics to inform the campus community about crime and related problems. Statistics are gathered from Los Alamos Police Department reports for areas of public property and non-campus property associated with UNM Los Alamos that are within the jurisdiction of this law enforcement agency. "Public property" and "non-campus property" are geographic areas defined by the federal Cleary Act for which crime statistics must be reported. The annual crime statistic tables at the end of this report include the definitions of those terms.

In addition to reporting crime statistics from reports made to the UNM Los Alamos Administration and Los Alamos Police Department, UNM Los Alamos Campus Safety Coordinator contacts other campus departments on the UNM Los Alamos campus to find out if any crimes were reported to those offices, including confidential crime reports, which were not reported to law enforcement. Reports of crimes made to all offices and University personnel, including reports made confidentially, are included in the annual crime statistics.

The UNM Los Alamos Administrative Office encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Due to the fact that police reports are public records under state law, the UNM Los Alamos Administration cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to other UNM Los Alamos Campus Administrative authorities. Students may contact Kathryn Vigil, Director of Student Affairs at 662- 4688 or kaguilar@unm.edu; staff, faculty and all others may contact Dr. Cynthia Rooney, Chancellor at 505-662-5919 or cjrooney@unm.edu.

The UNM Los Alamos Administration compiles and reports annual crime statistics to inform the University community about crime and related problems. The UNM Los Alamos Administration should be notified immediately whenever a crime is discovered, suspected, or witnessed on campus property. After 7 p.m., individuals may reach the administration by contacting any campus employee.

Each year, an email notification is sent to all enrolled students and UNM Los Alamos faculty and staff that briefly describes the annual security report and includes the most recent calendar year's crime statistics. The email also includes the exact website address to access the full report. Copies of the annual security report may also be obtained at the UNM Los Alamos Administration office, Building 1. Prospective students and employees may request a copy of the report or access it on the UNM Los

Alamos website.

Table 1 at the end of this report shows statistics for reported crimes in 2020, 2021 and 2022 on campus as well as non-campus in 2020, 2021 and 2022 property and public property surrounding the campus. Table 1b contains 2020, 2021 and 2022 statistics of referrals for disciplinary action for alcohol, drug and weapons law violations referred to disciplinary action. Table 2 shows UNM Los Alamos fire statistics.

SEX OFFENDER REGISTRATION

In accordance with the Campus Sex Crimes Prevention Act of 2000 (CSPA), UNM Los Alamos is providing a link to the New Mexico Department of Public Safety for law enforcement agency information concerning registered sex offenders. The CSPA requires institutions of higher education to inform the campus community where law enforcement information about registered sex offenders may be obtained. It also mandates that sex offenders who are required to register in a State must also give notice of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. Additionally, the New Mexico Sex Offender Registration and Notification Act requires a convicted sex offender who is employed by, enrolled at, volunteering with or carrying on a vocation at an institution of higher education to register with the university's law enforcement department, the university registrar, the county sheriff for the county in which the higher education institution is located as well as the county sheriff for the county in which the sex offender resides. Registration at UNM Los Alamos is administered by the Los Alamos Police Department (2500 Trinity Drive) or the Student Services Center (Bldg 1, Upper level).

A list of registered sex offenders is available online from the New Mexico Department of Public Safety at www.nmsexoffender.dps.state.nm.us / or by calling the Los Alamos County Sheriff's Department at (505) 468-7100.

PROGRAMS TO ENHANCE PERSONAL SAFETY

During new student and new transfer student orientations that take place during the week before fall and spring semester matriculation, students are informed of services offered by the University of New Mexico Los Alamos Administration. During these sessions, there are presentations and skits concerning substance abuse, campus safety and sexual assault.

During new and transfer student orientations, parents are also invited to attend sessions that explain campus safety and provide mechanisms for parents to inform their student about how to stay safe in the new campus environment.

During new employee orientation, information is provided that explains how to report emergencies or crime. Information about how to contact Los Alamos Police Department is also provided.

As requested by campus departments, offices and various student, staff and faculty groups, the UNM Los Alamos Campus Safety Coordinator conducts presentations that center on personal safety and work-place security, and sexual assault programs. Most of the presentations also include specific examples for the requesting group. The UNM Los Alamos Administration encourages everyone to promptly report crime or suspicious activity to police. The Administration also makes people aware of

their shared responsibility to prevent crime on campus.

The University has a robust emergency alert system that has three parts: text alerts, email alerts and web page alerts. These components are utilized when emergencies occur that may impact the campus community. The alerts also include information that tells people the actions they should immediately take to remain safe.

OFF CAMPUS STUDENTS AND STUDENT ORGANIZATIONS

There are a number of recognized student groups at UNM Los Alamos. At some point during the year, the recognized student groups hold some type of meeting or event on campus or at an off-campus venue. Both on-campus and off-campus law enforcement, should it be needed, would fall to the Los Alamos Police Department that has primary jurisdiction.

UNM Los Alamos Administration routinely work and communicate with the Los Alamos Police Department, the Los Alamos County Sheriff's Office, the New Mexico State Police, and a variety of federal agencies, both on-campus and in areas within close proximity to the campus. UNM-Los Alamos does not operate off-campus housing or off-campus student organization facilities. Many UNM Los Alamos students live in off-campus apartments that are within close proximity to the campus. The Los Alamos Police Department has primary jurisdiction in these areas.

CRIME PREVENTION SERVICES & PROGRAMS

We also offer several crime prevention programs designed to keep you safe. Services are available free of charge.

- **ALARM SYSTEM:** We operate a computerized intrusion and fire alarm system to monitor facilities throughout campus to enhance personal and building security.

Los Alamos Police and UNM Los Alamos Campus Safety Coordinator conduct frequent internal and external checks of buildings on campus.

SAFETY TIPS

We have instituted many programs at UNM to ensure your safety while on campus, but safety really begins with you. The following are some tips to help protect yourself from crime:

- If you go out for a late night snack or study break, go with a friend, not alone.

Missing Student Notification Procedures

UNM Los Alamos students, employees or other individuals who have reason to believe that a residential student is missing should immediately report their concerns to the Los Alamos Police Department. - Contacting the student via his or her telephone and/or email.
- Checking the student's residence; determining if the student has been in class or used his or her UNM ID card.
- Checking with roommates, friends and others who may have relevant information.

If these efforts are unsuccessful in locating the student, Los Alamos Police Department will inform UNM Los Alamos Administration that the student is missing and the following will occur:

Any person failing to comply will become subject to appropriate disciplinary and/or criminal action. The UNM Weapons Policy is printed in its entirety in *The UNM Pathfinder* which is available in the Dean of Students Office (Student Services Center). The Pathfinder is also available on-line at <http://www.unm.edu/~sac/pathfind.html>.

"UNM has a lot of valuable resources available already. SART will help coordinate and focus those efforts in a way that assists the victim from the first response all the way through recovery process. We are better prepared now to deal with sexual assault cases than ever before." Click here for the [SART brochure](#) or follow this link <http://sart.unm.edu/sart-brochure-8-13.pdf>

IV. PROCEDURES STUDENTS SHOULD FOLLOW IF A SEX OFFENSE OCCURS

The University's Student Code of Conduct and Visitor Code of Conduct, which apply to the main and all of the branch campuses and educational centers, expressly forbid the commission of sexual assault including rape. A student who is a victim of such an offense may pursue charges against the perpetrator under these policies. It is important for victims of sex offenses to understand the steps to take in order to preserve evidence as it may be necessary in the proof of sexual assault in the criminal process and the student discipline system. Victims should not bathe, shower, wash, douche, brush one's teeth, comb one's hair or change clothes before seeking medical attention. Important evidence may be on the victim's body and/or clothes. This evidence can be collected during the medical examination.

A. Main Campus

1. A student who is the victim of a sex offense on campus or at a University sponsored or sanctioned activity should immediately contact the University Police Department at 505-277-2241 if calling from off-campus and 911 if calling from on-campus to report the incident. A student who is the victim of a sex offense off-campus should immediately contact the Albuquerque Police Department by dialing 911. The Police Department called will contact the Albuquerque Rape Crisis Center to have a counselor meet the student and responding police officer at the appropriate medical facility. The Rape Crisis Center may be contacted directly by calling 505-266-7711. The University recognizes the need for victims of sex offenses to have a caring and knowledgeable support person available to discuss their situation with, assist them in receiving appropriate medical attention and filing appropriate criminal charges. The University, including the University Police Department, works closely with the Albuquerque Rape Crisis Center in providing this assistance.
2. The University's Student Code of Conduct and Visitor Code of Conduct expressly forbid the commission of sexual assault including rape. A student who is a victim of such offenses may

pursue charges against the perpetrator under these policies. The Dean of Students Office is also available to assist victims of sex offenses in making appropriate accommodations in their academic and living arrangements.

B. Los Alamos Branch Campus

POLICY ON ILLEGAL DRUGS & ALCOHOL

Adopted by the President of the University of New Mexico

August 3, 1990

Revised September 11, 1992

This Policy on Illegal Drugs and Alcohol is adopted pursuant to federal laws and because of the commitment of The University of New Mexico to an environment for the pursuit of its educational mission free of drugs and the illegal use of alcohol. Drug and alcohol abuse on campus poses a serious threat to the health and welfare of faculty, staff and students; impairs work and academic

performance; jeopardizes the safety and well-being of other employees, students and members of the general public; and conflicts with the responsibility of The University of New Mexico to foster a healthy atmosphere for the pursuit of education, research and service.

This policy covers all property owned, used, leased or controlled by The University of New Mexico, or any other site where official University business is being conducted. "Controlled substances" means those substances in Schedules I through V of section 202 of the Controlled Substances Act, 21 U.S.C. 812, and implementing regulations, 21 CFR 1308.11-1308.15. Controlled substances include, but are not limited to, marijuana, cocaine (including "crack"), amphetamines, heroin, PCP, hallucinogens, and certain prescription drugs. Illegal uses of alcohol include, but are not limited to, serving, buying or drinking alcohol by a minor; assisting a minor or an intoxicated person to get alcohol; selling alcohol without a license and driving while under the influence. This policy is not intended to supersede or negate any existing policies on substance abuse, student or employee discipline, or any additional requirements imposed on The University of New Mexico or its students, faculty or staff by federal or state law.

I. Policy Statement.

The unlawful manufacture, distribution, dispensing, possession or use of controlled substances or alcohol on UNM property or as part of any of its activities by any member of The University of New Mexico community faculty, staff or students strictly prohibited. As a condition of employment, all employees - faculty and staff - of The University of New Mexico shall abide by the terms of this policy. Violation of this policy shall result in disciplinary action, up to and including dismissal. For more detailed information, faculty should refer to the Faculty Handbook and / or contact the Faculty Grants and Contracts Office. Staff may refer to the University Business Policies and Procedures Manual and/or contact the Human Resources Department. As a condition of continued registration and enrollment, any student of The University of New Mexico shall abide by this policy. Violation of this policy shall result in disciplinary action, up to and including expulsion. For more detailed information, students should refer to the Student Code of Conduct and related policies printed in the UNM Pathfinder and/or contact the Dean of Students Office. UNM's response to any violation of this policy may include, as a total or partial alternative to disciplinary action, a requirement that the employee or student participate satisfactorily in an approved substance abuse treatment or rehabilitation program as a condition of continued employment or registration /enrollment. Any employee engaged in the performance of work under a federal contract or grant is required, as a condition of employment, to notify his/her supervisor if he or she is convicted of a criminal drug statute violation occurring in the workplace within five days of such conviction. The supervisor shall notify the University Counsel's Office. Failure of the employee to notify the supervisor shall be grounds for disciplinary action. In recognition of the dangers of substance abuse in the workplace, The University of New Mexico shall maintain alcohol and drug-free awareness programs to inform members of the University community about the issues and risks of substance abuse, and about counseling, and treatment resources. The University shall assign responsibility for such awareness programs to specific administrative entities, which shall be provided sufficient resources to develop and maintain the programs. As a matter of policy, any referral, treatment, awareness or primary prevention programs established by The University of New Mexico shall play no role in enforcing or instituting possible disciplinary action.

II. Legal Sanctions

Legal Sanctions for the Unlawful Possession or Distribution of Illicit Drugs and Alcohol. The penalties for even the most minor of violations of the Liquor Control Act can include fines of up to \$300, confiscation of property and imprisonment for up to seven months. More serious violations carry greater penalties, with larger fines and longer imprisonment. Driving or using machinery after drinking or using drugs creates the risk that the user may injure or kill someone. This can result in homicide charges. License revocation and vehicle impoundment are also possible results of driving while under the influence of liquor or drugs. The minimum blood alcohol levels at which drivers' licenses are revoked in New Mexico are: .02% for those under 21 and .08% for those 21 and over. All drivers in New Mexico are presumed to be intoxicated at the .08% level. In drug-related cases a court can permanently suspend eligibility for federal benefits, including financial aid. A criminal record can seriously hurt educational and career opportunities. Penalties for illegal drug use can include significant fines and imprisonment. Penalties for the illegal sale of drugs are greater, and may include property confiscation. Alternative penalties for illegal drug or alcohol use may also include mandatory community service. Violation of laws by a foreign national may result in deportation. Details on federal and state sanctions for the unlawful possession or distribution of illegal drugs are contained in the Policy on Illegal Drugs and Alcohol that appears on page 53 of the 2007-2008 UNM Pathfinder.

III. Health Risks Associated with Use of Illicit Drugs and the Abuse of Alcohol.

Excessive alcohol consumption and abuse of illicit drugs can lead to certain types of cancer, pathological changes in the liver, brain, heart and muscle which can lead to disability and death, addiction, birth defects, shortened life span, stomach ulcers phlebitis, varicose veins, and other health problems. Alcohol and drugs are also a major factor in homicides, assaults, rapes, suicide, family and date violence. Alcohol is significantly involved in all types of accidents- motor vehicle, home, industrial, and recreational. Unintended pregnancies and sexually transmitted diseases are often associated with alcohol or other drug abuse, as well as relationship, academic or work problems. For more information on the possible effects and health risks associated with the use of illicit drugs and alcohol, contact the Student Health Center Health Education Program (277 7947) or the UNM Campus Office of Substance Abuse Prevention (277-2795). Information on the possible effects and health risks associated with the use of illicit drugs and controlled substances is also contained in the Policy on Illegal Drugs and Alcohol that appears on page 53 of the 2007-2008 UNM Pathfinder.
