- c. To create a new request click on the “+ New” button near the “Dashboard” icon

- d. Select “Business Operations” from the Select Region/Site drop-down menu.

The image shows a form section titled 'SELECT REGION/SITE'. It includes a 'Site: \*' label and a dropdown menu. The dropdown menu is open, showing a list of options: 'Business Operations' (highlighted), 'Events', 'Facilities', 'Information Technology', 'Marketing', and 'Purchasing'. Below this section, there is another section titled 'BUSINESS OPERATION!' with a 'Type of BO Request:' label and a dropdown menu. Below that, there is a 'Work requested: \*' label and a text input field.

- e. At the very top of the page you will see a message you can click on the appropriate form for your request to open the form in another tab where you can download, edit and save the completed form to your PC. (Please complete this step for every new request and **Do Not** save blank forms on your computer for future use. This will insure you have the latest and correct form every time, and will avoid delays by your request needing to be returned to you to start over.)

Please select the Type of BO Request below in the appropriate section.

1. **Financial Reports** - copy of Operating Ledger or Salary Report for a specific index
2. **General Inquiry** – any request not covered in this menu
3. **Grants** – reports, training or other information related to a grant index
4. **Journal Voucher** – request for JV to distribute budget, add charges, or make corrections to an index (**F**)
